## **Notes for Organizers**

### **Lectures**

A Morning Lecture is from 9:00 to 12:15. A 15 minute break should be scheduled during the morning lecture  
An Afternoon Lecture is from 1:00 to 4:00 pm. Typically there is no need to schedule a break in the afternoon.

Two day lectures are much more in-depth than one day lectures and typically build on the previous days information unless requested otherwise.

Lectures require a room where participants can sit comfortably for several hours at a time in a temperature controlled environment. Note pads and pens are recommended. We require an announcement system preferably with 2 microphones, lapel mics are definitely preferred, a power point projector and the largest screen you can find.

Before requesting, please note that Jessica Morgan has prepared material for solo lecture. Dallas Morgan does NOT have solo material available at this time.

### **Clinics**

A Morning Clinic is from 9:00 am to 12:00 pm. Depending on the program, a 15 minute break can be scheduled.  
An Afternoon Clinic is from 1:00 to 4:00 pm. Typically there is no need to schedule a break.

Clinics require a facility where forging and horseshoeing is acceptable. Adequate lighting, appropriate rig to work from, a portable PA system, a reasonable temperature controlled environment are required. The table topics require a table and 5-10 chairs, a white board with markers, note pads & pens and skeleton models.

### **Lunch**

Please provide a vegetarian, egg or fish/shellfish option for Dr. Morgan's medically dictated dietary requirements.  
Thanks!
